## The IC Connection

**ENROLLMENT GOAL: 180 STUDENTS**

### CEF Applications

There are only a few weeks left to hand in your tuition assistance application for new school year. Anyone not turning in this application will be paying full tuition as we need these forms to determine if you qualify for any other tuition funds we may receive.

### Online Registration

By the end of the week we should have the online registration for next year. This will be located on our website under "Admissions" then "Registration". There is space to register up to 3 students if needed. We hope to save staff time and your time in this process so that we can keep more things electronic and save paper.

### Parent Agreement

Mr. McMains would like to meet with each family individually to discuss tuition and related fees for the upcoming year.

### A Taste Around the World

All classes will be involved in the fundraiser A Taste Around the World, May 4th. Each class has been assigned a cultural food and you will be contacted to help in some way. This is a great opportunity to visit with friends and taste many different kinds of food as this is a sampler type event.

### Enrollment

We need your help in finding new families for our school next year. No, I am not asking people to go from door to door, but just talk with your friends especially those that attend our parish and have felt a Catholic Education is too expensive. These people are the exact ones we need to build our school. We will have them fill out a CEF Application to see if they qualify for assistance and go from there.

### First Reconciliation

The Second grade class will be making their First Reconciliation this Saturday at 9:00 am in the church.

### Class Parties

Parents, we ask that you notify the office a week in advance if you are planning to bring in lunch for a class party, so that we can cancel hot lunches for that day. If we do not have notice, we cannot offer lunch credits.
