## The IC Connection

**ENROLLMENT GOAL: 180 STUDENTS**

### Congratulations to the Class of 2014!

I want to congratulate the students of the Class of 2014. They are a resilient group of young ladies and gentlemen who have endured many obstacles over the past year, but I know they will succeed as they enter their next educational journey into high school. I wish them the best of luck and will keep them in my prayers that God may watch over them always.

Abigail Dionisio	Liam Garcia	Mark Lopez
Carolina Macias	Gabriella Macias	

### Registration

Registration will continue through Friday June 27, as the office will be open from 7 am to 3 pm. Please make an appointment so we may schedule accordingly. Starting July 1, 2014 until August 1, 2014 the office will be open 8 am to 12 noon Tuesday through Thursday.

### Communications for the Summer

We have three ways of communication during the summer our website will have all dates and events posted for the summer and beginning of school. Also information on uniforms, homework, office hours, and many more articles. Second will be our School Reach, the voice or text message system, to inform parents of events. Lastly, the use of e-mail to ask questions about all school functions and procedures: [principal@icschoolmonrovia.org](mailto:principal@icschoolmonrovia.org) or [office@icschoolmonrovia.org](mailto:office@icschoolmonrovia.org)

### Changes for next year

School will begin at 7:50 am for prayer and announcements. School will end at 3:00 pm. Early dismissal will still be on Fridays at 12:00 noon. New school uniform policy will begin. Most uniform articles will be purchased at the student store. School supplies will be assembled in a specific grade level kit, put together and sold by the PTO.

### Summer Homework

During the summer children lose academic skills if not reviewed or used. Your child will be asked to do homework each week to keep those skills refreshed. Mathletics is an online math program we pay for with your registration money, Accelerated Reader is an online program that quizzes students after they complete reading a book. Teachers will have a variety of activities they feel need to be practiced over the summer specific to their grade level. All homework will be posted on teacher's pages.

Have a Blessed & Safe  
Summer!
