

PARENT SERVICE HOURS

The goal of Parent Teacher Organization (PTO) is to strengthen our children's education and development through a collaborative effort of parents, educators, and the community. The PTO takes great pride in planning and sponsoring fun and successful events to fundraise throughout the year for this purpose. Fundraising is a wonderful way for parents to not only participate in this growth, but to also lead as an example to our children.

For the 2014-2015 school year, each family is obligated to complete 25 service hours. Fifteen (15) of those hours are earned by participating in the following events: Monte Carlo – 4 hours; Taste of the World (Food Festival) – 6 hours; Festival of the Foothill – 2 hours; and the 3 PTO meeting. These 15 hours are mandatory service hours with no buy out option.

For your convenience, the PTO will be sending out monthly statements detailing the service hours you have served. If any of the service hours are not fulfilled, you will be billed at a rate of \$25/per hour. Please contact us immediately if hours on your statement are not correct.

For more information, please refer to the PTO handbook.
