

Merry Christmas and a Happy New Year!!!

The Immaculate Conception Catholic School's PTO would like to wish all IC Families a Merry Christmas and a Happy New Year!

We are quickly approaching the end of the year and what a year it has been! We have been fortunate to receive a new Pastor, Father Randy Campos, whose strong presence and appreciation of Catholic School Education will guide us and strengthen our devotion as Catholics. Within the past year, under the direction of Mr. McMains, our enrollment has gone up and continues to grow. We look forward to continued growth in the coming year. Many internal improvements have been underway, with one being our campus and church receiving a beautiful new paint job. The PTO Board has worked very hard to launch two new programs for the 2014 school year; The Uniform and School Supply Committees. By launching in house programs, we are able to offer a more affordable alternative to uniforms and supplies. In turn, the school benefits as all proceeds are retained by PTO for future improvements. We are excited to announce the success of Monte Carlo Night, the Halloween Social and the First Annual Christmas Boutique! Each event supported by Immaculate Conception families and friends contributes to the growth and marketing of our school. Parent participation is key and we count on you! PTO is currently busy planning our upcoming Taste Around the World, Father/Daughter Dance, Mother/Son Breakfast and the Grizzly Games and anticipate much success with your help.

*We look forward to a healthy and prosperous New Year!
May it be the best one yet!*

*God Bless you all. Faithfully yours,
The PTO Board*

2nd Annual Food Festival • March 15, 2015

MISSION STATEMENT

As educators of Immaculate Conception Catholic School, we believe that the purpose of a Catholic education is to provide a foundation in the Scriptures, Traditions, and ongoing teachings of the Catholic Church. We develop faith based, spiritual, life-long learners, who exemplify the pursuit of excellence in all opportunities found in our global community.
